

Hazratbal-Srinagar-06 (J&K)

21-03-21

Esteemed Colleagues, Collaborators, Scholars & Friends
Greetings from NIT Srinagar

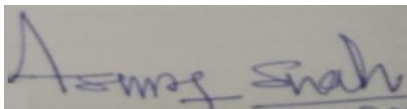

As a part of precautionary measure, the 7th edition of **hybrid biennial International Conference on Nanotechnology for Better Living (NBL-21)** shall be organized from **07-11 September, 2021** by National Institute of Technology Srinagar under the aegis of Materials Research Society of India (MRSI) in association with Anna University, SKUAST-K, NIT Mizoram, SSM College of Engineering, IIT Madras, M G University, SKIMS Srinagar and Higher Education (J&K).

NBL 21 would bring together the scientific community working on various aspects of nanotechnology to encourage the exchange of ideas to focus on the problems facing the world in the key sectors to achieve significant progress with the involvement of overall society. In addition, dedicated sessions, “Seeding Nanoscience to Young Minds” and “Nurturing minds for a better world” shall be conducted before the conclave (Pre-conference Tutorials), thus handing over this multidisciplinary science to our young and smart generation.

I am attaching a brochure of the scientific event; the necessary details are mentioned in brief and the deadline has been fixed as **25th July 2021** for Extended Abstract Submission (one page with schematic diagram/graphical abstract). We look forward to your kind cooperation in forwarding this information to your colleagues, Scientists, students and friends for wide circulation and for participation thereof in this sacred place of saints.

Please visit us at: www.icnbl.org for updates.

Sincerely yours

Dr. M. A. Shah

Convener, ICNBL-21
